Your Center for Educational Materials

The National AIDS Information Clearinghouse (NAIC) Resource Center is a centralized source for AIDS and HIV resources. Serving the information needs of health professionals and the public, we can help you find the educational materials you need about AIDS and HIV infection.

The Resource Center collects and preserves AIDS-related materials that you can review at the Center. While materials cannot be borrowed, photocopying is available. You can also order selected publications that the Clearinghouse distributes, and they will be delivered to you within 2 weeks. Our Resource Center librarian can help you identify contacts who can direct you to additional publications and resources.

HOURS: Monday through Friday
9 a.m. to 5 p.m.

LOCATION: National AIDS Information
Clearinghouse
1600 Research Boulevard
Rockville, MD 20850

For more information call **1-800-458-5231** and ask to speak to the Resource Center librarian.

Personal Assistance From NAIC

The Resource Center librarian, an information specialist with extensive knowledge of AIDS resources, will give you personalized attention and help you take advantage of the Center's many benefits. The librarian can help you:

- Locate and use a wide range of hard-to-find AIDS- and HIV-related educational materials.
- Conduct online searches of NAIC's database to identify materials appropriate to the information needs of the groups you serve.
- Identify and review a large collection of health and AIDS-related periodicals.
- Place orders for single or bulk copies of educational materials distributed by the Clearinghouse.
- Access the Clearinghouse's many other services.

Hands-On Review of Materials

The NAIC Resource Center gives you the opportunity to personally examine more than 3,000 items listed in NAIC's database. Videotapes, audiocassettes, and slides can also be reviewed at the Center. Through this facility, you can review the materials to ensure that they will communicate effectively to your audiences.

The Resource Center collection includes basic reference materials, quick reference sources, HIV- and AIDS-related periodicals, and other materials, including:

- Articles, book chapters, and reports
- Videotapes, audiocassettes, and slides
- Directories, guides, and manuals
- Federal regulations and public laws
- Journals, newsletters, and newspapers
- Brochures
- NAIC publications
- Software programs
- Statistical data
