Circuit January 16, 1987, conduct any adjudicatory or other regulatory proceeding, execute or perform any contract, or participate in any judicial action with respect to the repayment of construction differential subsidy for the permanent release of vessels from the restrictions in section 506 of the Merchant Marine Act, 1936, as amended: Provided, That such funds may be used to the extent such expenditure relates to a rule which conforms to statutory standards hereafter enacted by Congress.

Sec. 506. Notwithstanding any other provision of this Act, appropriations made by title I of this Act for the following account shall be as follows:
Immigration and Naturalization Service, Salaries and Expenses, $137,216,000.

Sec. 507. Section 208(a) of the Department of Justice Appropriations Act, 1987 (Public Law 99-500 and Public Law 99-591) is hereby repealed.

Sec. 508. None of the funds provided in this or any other Act may be made available to facilitate in any way the sale of M-833 antitank shells or any comparable antitank shells containing a depleted uranium penetrating component to any country other than:

(1) countries which are members of NATO, or
(2) countries which have been designated as a major non-NATO ally for purposes of section 1105 of the National Defense Authorization Act for Fiscal Year 1987.

Sec. 509. None of the funds made available by this or any other Act may be used for the purpose of restarting the N-Reactor at the Hanford Reservation, Washington during fiscal year 1987. For the purposes of this paragraph the term "restarting" shall mean any activity related to the operation of the N-Reactor that would achieve criticality, generate fission products within the reactor or discharge cooling water from nuclear operations: Provided, That this provision does not require a change in the current fuel status of the reactor.

Sec. 510. None of the funds appropriated by this or any other Act shall be available for the purpose of relocating the headquarters of the Peace Corps to office space outside of the District of Columbia.

Sec. 511. Sec. 512. (a) The Congress finds that—

(1) the people of Angola have suffered under colonial domination for centuries;
(2) the Portuguese promise of independence and free elections for Angola embodied in the Alvor Accord of 1975 was nullified when the Marxist Popular Movement for the Liberation of Angola (hereafter in this resolution referred to as the "MPLA") illegally and militarily seized power with the support of Soviet and Cuban troops;
(3) the Marxist regime in Angola has continually denied the most basic human rights to the people of Angola since 1975 culminating in one of the worst human rights records reported by the Department of State, as described in the report entitled "Country Reports on Human Rights Practices for 1986";
(4) the Marxist regime in Angola has allowed the country of Angola to become a Soviet base for aggression and subversion in southern Africa, including the expansion of a Soviet naval port, the presence of 35,000 Cuban troops, and the influx of $4,000,000,000 in Soviet weaponry;
(5) the naval port facilities in Angola pose serious potential threats to United States naval interests in the Atlantic and around the Cape of Good Hope;
(6) the Soviets and Cubans have engaged in the most blatant foreign intervention in post-colonial history of Africa, and the MPLA is hostage to these foreign forces as evidenced by the fact that the MPLA had the worst anti-United States voting record in the United Nations last year;
(7) the MPLA government of Angola in 1986 obtained 90 percent of its foreign exchange from the extraction and production of oil with the assistance of American companies;
(8) most Angola's oil is extracted in Cabinda Province, where 65 percent of it is extracted by an American oil company;
(9) United States business interests are in direct conflict with overall United States foreign policy and national security objectives in aiding the MPLA government;
(10) the United States currently refuses to recognize the Marxist government of the MPLA;
(11) representatives of the Government of Portugal's three main political parties have recently visited the liberated territory and will soon announce a commission to promote national reconciliation in Angola;
(12) the United States has an obligation to encourage peace, freedom, and democracy and to condemn tyranny where it may exist; and
(13) the growing intensity of war, the mounting suffering of the Angolan people, the growing presence of communist forces in Angola, and the failure of the MPLA to respond to diplomatic initiatives gives new urgency to efforts to reach a peaceful settlement.

(b) It is the sense of the Congress that the United States, so long as Soviet and Cuban military forces occupy Angola, should encourage peace and national reconciliation in Angola through a negotiated settlement to the eleven-year military conflict and stress the holding of free and fair elections as outlined in the 1975 Alvor Agreement through—
(1) continued multilateral initiatives designed to support Soviet and Cuban withdrawal and a negotiated peaceful settlement acceptable to the people of Angola; and
(2) consistent efforts by the President and the Secretary of State to convey to the Soviet leadership that continued military build-up and presence in Angola directly hinders future positive relationships with the American people and the United States Congress.

(c) The Congress hereby requests the President to use his special authorities under the Export Administration Act to block United States business transactions which conflict with United States security interests in Angola.

(d) It is further the sense of the Congress that the Secretary of State should—
(1) review the United States policy with respect to the United States refusal to recognize the Marxist MPLA government, the abysmal human rights record of the MPLA government (as reported by the Department of State), and the worst 1985 voting record supporting United States interests in the United Nations; and
(2) prepare and transmit to the Congress a report containing the findings of the review required by paragraph (1), together with a determination as to whether it is in the United States Reports.
interest to continue under the current trade and business policy with respect to Angola.

Sec. 513. None of the funds made available by this or any other Act for fiscal year 1987 for Health Care Financing Administration Program Management activities shall be used to promulgate or enforce any rule, regulation, instruction, or other policy having the effect of establishing a mandatory holding of Medicare claims processing or payments.

Sec. 514. It is the sense of the Congress that no funds provided under this Act may be used for the payment of severance pay to any employee of the International Bank for Reconstruction and Development (World Bank).

Sec. 515. (a) In addition to amounts appropriated in this Act, there are appropriated to the Centers for Disease Control for "Disease control, research, and training", $27,000,000.

(b)(1) In the cases of all appropriations accounts from which expenses for travel, transportation, and subsistence (including per diem allowances) are paid under chapter 57 of title 5, United States Code, there are hereby prohibited to be obligated under such accounts in fiscal year 1987 a uniform percentage of such amounts, as determined by the President in accordance with the provisions of paragraph (2), as, but for this subsection, would—

(A) be available for obligation in such accounts as of June 1, 1987,

(B) be planned to be obligated for such expenses after such date during fiscal year 1987, and

(C) result in total outlays of $18 million in fiscal year 1987.

(2) Before making determinations under paragraph (1), the President shall obtain from the Director of the Office of Management and Budget and the Comptroller General of the United States recommendations for determinations with respect to (A) the identification of the accounts affected, (B) the amount in each such account available as of such date for obligation, (C) the amounts planned to be obligated for such expenses after such date in fiscal year 1987, and (D) the uniform percentage by which such amounts need to be reduced in order to comply with paragraph (1).

(c) Within 30 days after the date of enactment of this Act, the President shall prepare and transmit to the Congress a report specifying the determinations of the President under subsection (b).

(d) Sections 1341(a) and 1517 of title 31, United States Code, apply to each account for which a determination is made by the President under subsection (b).

Sec. 516. The matter under the heading "Public Education System" in title I of the District of Columbia Appropriations Act, 1987 (Public Law 99-591; 100 Stat. 3341-184) is amended by striking out "Provided further, That of the amount made available to the University of the District of Columbia, $1,146,000 shall be used solely for the operation of the Antioch School of Law: Provided further, That acquisition or merger of the Antioch School of Law shall have been previously approved by both the Board of Trustees of the University of the District of Columbia and the Council of the District of Columbia, and that the Council shall have issued its approval by resolution: Provided further, That if the Council of the District of Columbia or the Board of Trustees of the University of the District of Columbia fails to approve the acquisition or merger of the Antioch School of Law, the $1,146,000 shall be used solely for the repayment of the general fund deficit." and inserting in lieu thereof...
"Provided further, That $1,146,000 shall be used solely for the operation of the District of Columbia School of Law and which shall remain available until expended: Provided further, That acquisition or merger of the Antioch School of Law shall have been previously approved by the Council of the District of Columbia: Provided further, That the interim Board of Governors of the District of Columbia School of Law shall report, by October 1, 1987 to the Mayor of the District of Columbia, the Council of the District of Columbia, and the Appropriations Committees of the Senate and House of Representatives on the anticipated operating and capital expenses of the District of Columbia School of Law as created by District of Columbia Law 6-177, for the next five years: Provided further, That the aforementioned report shall also include a statement from the American Bar Association on the current status of the accreditation proposal for the District of Columbia School of Law, as created by District of Columbia Law 6-177, as amended: Provided further, That if the Council of the District of Columbia fails to approve the acquisition or merger of the Antioch School of Law, the $1,146,000 shall be used solely for the repayment of the general fund deficit."

SEC. 517. It is the sense of the Congress that the Commodity Credit Corporation in implementing regulations to establish the percentage share or metric tonnage of commodities under subparagraph (B) of section 901b(c)(2) of the Merchant Marine Act, 1936 (46 U.S.C. 1241f(c)(2)(B)) should respect the intent as well as the letter of the agreement entered into by and between the representatives of Great Lakes ports and Gulf ports, and that so far as practicable, Great Lakes ports be accorded the full proportion of tonnage contemplated thereby.

SEC. 518. On or before August 31, 1987, the President, pursuant to his existing power under section 212(a)(6) of the Immigration and Nationality Act, shall add human immunodeficiency virus infection to the list of dangerous contagious diseases contained in title 42 of the Code of Federal Regulations.
